About LDCoA:

The Leadership Development Council of America (LDCoA) is at the forefront of shaping effective leadership across industries and sectors in the United States. With a comprehensive focus on research, coaching, training, and program evaluation, LDCoA has positioned itself as the leading authority on leadership development programs in America. The council's core objective is to establish and maintain a definitive standard for excellence in leadership development, while fostering a platform for knowledge exchange and collaboration among leaders.

Position Overview:

LDCoA is seeking a dynamic and visionary Program Director for the LDCoA Fellowship Research Program. This role is critical in advancing our mission by overseeing a transformative research program that contributes to leadership development excellence in America. The Program Director will play a pivotal role in shaping the future of leadership development and fostering innovative leadership practices across industries.

Key Responsibilities:

1. **Program Leadership:** Provide visionary leadership and strategic direction to the LDCoA Fellowship Research Program. Ensure alignment with LDCoA's mission and values.
2. **Research Oversight:** Oversee all aspects of the research program, including the selection of research fellows, project development, data collection, analysis, and reporting.
3. **Fellowship Program:** Manage the selection, onboarding, and support of research fellows, fostering a collaborative and innovative research community.
4. **Stakeholder Engagement:** Build and nurture relationships with program stakeholders, including research fellows, LDCoA members, industry leaders, and partners.
5. **Budget Management:** Manage program budgets, ensuring responsible allocation of resources and funding sustainability.
6. **Strategic Partnerships:** Identify and cultivate strategic partnerships that enhance the impact and reach of the research program.
7. **Report and Publication:** Oversee the preparation of research findings, reports, and publications for dissemination.
8. **Thought Leadership:** Represent LDCoA as a thought leader in leadership development and research, participating in industry events, conferences, and forums.

**Qualifications:**

- Minimum of a master's degree in a related field, Ph.D. preferred.
- Proven experience in research program management and leadership development.
- Visionary mindset with a passion for fostering leadership excellence.
- Strong understanding of diversity, equity, and inclusion principles.
- Excellent communication and interpersonal skills.
- Budget management and resource allocation experience.
- Ability to work collaboratively and build strong relationships with stakeholders.
